# 2019 Calendar

## Hartwick College takes on the world!

From our powerful Transcultural Nursing in Jamaica J Term course to our innovative and interdisciplinary Fermentation & Re-localization of Food course in Portugal, our faculty guide Hartwick students into extraordinary learning experiences. For 50 years, Hartwick students and Hartwick professors have traveled across the country and the world in search of lessons that are extraordinary.

Pre-professional experiences are an invaluable building block at Hartwick. Thanks to generous gifts from the Duffy family, the Fred L. Emerson Foundation, and many individual donors, our students have the opportunity to venture to international locations to conduct research, perform community service, and serve as interns in businesses of all kinds.

Hartwick students return to campus forever changed by their experiences. They share their stories, their renewed or revised ambitions, and their photos with you in this calendar. I hope that you remember Hartwick students as you move through 2019 accompanied by their travels.

Sincerely,

Margaret L. Drugovich, DM, P'12  
President
